*“My approach is let’s **KEEP IT SIMPLE!***

Small incremental changes and fewer moving parts will lead to less confusion, more consistency, and accelerated progress!”

Will Schatz grew up in St. Louis, Missouri, after graduating with a B.S.B.A from UCM, he decided to pursue his passion for golf and move to Myrtle Beach S.C. to play golf professionally. Will was fortunate to work and train at Barefoot Resort & Golf, home to 4 Nationally Ranked Championship 18-hole golf courses. In 2007, he became the Director of Instruction at Barefoot and mentored under Nick Bradley (author of “7 Laws of the Golf Swing” & “Kinetic Golf”) and Alasdair Dyer who coached many PGA and Web.com Tour Players including Justin Rose and Kevin Streelman.

Will studied under the Titleist Performance Institute (T.P.I.) to understand Bio-mechanics in relation to the golf swing in order to avoid injuries and optimize all different body types. Additionally, he mentored and trained with various Sports Psychologists to help utilize our most valuable asset in golf, the mind. Since 2006, he has been a Certified Club Fitter for a leading manufacture and loves to share his enthusiasm, passion, knowledge, and background with his students.
